

# NAYAX Cashless Terminal Prepaid Cards

Tel: 1300 853 192

[www.paytechsolutions.com.au](http://www.paytechsolutions.com.au)

**The all-in-one contactless & contact reader**

## **More Convenience More Sales.**

- Offering a prepaid card gives you the ability to add another form of payment
- Ability to use as post pay or pre pay
- Ability to provide loyalty rewards eg customers gives you \$100 and you give them \$120 credit
- No bank fees when prepaid card is used.
- Revalue is via the Nayax web based portal
- Each FOB is numbered for easy tracking and a customer name can be assigned to each FOB for further identification
- If lost you can easily make the FOB inactive.
- Ability to run a usage report for each FOB that shows when it was used and how much for.
- Ability to set a daily and monthly limit on the FOB
- FOB easily attaches to a keyring
- Card reader display will show credit remaining on the FOB after each transaction.
- All reloading of FOBs is recorded in the backend
- Ability to set the FOB to automatically reload if required
- When a FOB runs out of credit it will not work and record "Insufficient funds" in the backend

**FOB - Front and Back**
